FOREWORD

The Fifteenth Calgary Exhibition Salon of Pictorial Photography has again attracted a very fine response from Photographers all over the world. While it is impossible to show all of the many hundreds of fine prints submitted, we feel that those exhibited have really outstanding merit in their various categories.

With the rapid rise in popularity of color photography, one might be tempted to think that black and white prints would take a secondary place in the photographic world; but we feel that this fine collection proves that they still hold their own in artistic merit and originality of ideas.

We hope you will find enjoyment and interest in the Salon, and we take this opportunity of thanking all those whose time and effort have made this exhibit possible.

FOREWORD

Color entries for our First Annual Calgary Stampede Exhibition of Color Photography proved very satisfactory, and considering the late mailing of entry forms, a very agreeable surprise. We sincerely appreciate the help of all entrants who made the color exhibit a great success, and will look forward to receiving your entries next year.

In view of the very high calibre of slides presented the task of selection proved very difficult.

Sincere thanks and appreciation are therefore extended to the four members of the jury of selection for the fine job of judging the slides.

Miss Marion Fawdry, Victoria, B.C., Mr. Nicholas P. Ochotta, A.P.S.A., Edmonton, Mr. E. Taylor, Calgary, and Chas. J. Everest, Calgary, President of the Calgary Branch, C.P.A.C., all fully qualified photographers and active in both color and black and white photography.

Last, but not least, our sincere appreciation to the many members of the Calgary Branch of the Color Photographic Association of Canada and Calgary Color Photo Club, especially to Tom and Rose Bell and Reg. Spencer who gave so fully of their time to make this First Annual Calgary Stampede Exhibition of Color Photography such a success.
